**GOVERNMENT OF INDIA
MINISTRY OF FINANCE
DEPARTMENT OF DISINVESTMENT**

**ENGAGEMENT OF BOOK RUNNING LEAD MANAGERS FOR DISINVESTMENT
IN MANGANESE ORE INDIA LIMITED THROUGH "INITIAL PUBLIC OFFER" IN
THE DOMESTIC MARKET – REQUEST FOR PROPOSALS**

1. Introduction

1.1 Manganese Ore India limited, hereinafter referred to as 'company' or 'MOIL', is a public sector undertaking under the administrative control of the Ministry of Steel. The company, a Miniratna PSU, was originally set up in the year 1896 as Central Provinces Prospecting Syndicate which was later taken over by the Central Provinces Manganese Ore Company Limited (CPMO), a British Company incorporated in the UK. In 1962, as a result of an agreement between the GOI and CPMO, the assets of the latter were taken over by the Government and MOIL was formed with 51% capital held between the GOI and the State Governments of Maharashtra and Madhya Pradesh. It was in 1977, that the balance 49% shareholding was acquired from CPMO and MOIL became a 100% Government Company. MOIL is the largest producer of high grade Manganese Ore, which is the raw material for manufacturing of alloys, an essential input for steel making and dioxide ore for manufacturing dry batteries. It fulfils 65% of country's requirements of manganese ore. The total work force of the company is about 7000 employees.

1.2. The paid up capital of the company as on 31.03.2010 is Rs.168 crore divided into 16,80,00,000 shares of face value of Rs. 10 each. Presently, the Government of India holds 81.57% of the paid up equity capital of the company and balance is held by the State Governments of Maharashtra and Madhya Pradesh to the extent of 9.62% and 8.81% respectively..

2. Government Proposal

2.1 The Government intends to disinvest 10% paid up equity share capital of MOIL comprising 1,68,00,000 shares out of its shareholding of 81.57%, through "Initial Public Offer" in the domestic market. The State Governments of Maharashtra and Madhya Pradesh are to piggy back with off-loading 5% each of equity comprising 1,68,00,000 shares in MOIL along with Government of India. Thus, the total offer for sale would be 20% paid up equity share capital of MOIL comprising 3,36,00,000 crore shares of face value of Rs. 10 each. A part of the public offering will be reserved for employees of the company.

7.3 The Bidders may quote a drop dead fee, if any, payable by Government in case of calling off of the transaction by the Government after initiation of the process by the Bidder. The drop dead fee applicable at various stages of the transaction should be indicated. The lowest drop dead fee quoted by any of the finally selected Bidders would be treated as drop dead fee payable by Government and be shared equally by all the Bidders. Drop dead fee will not be a criterion in determining the H1 Bidder.

7.4 The Bidders will be liable to pay taxes applicable as per law.

OFFICE MEMORANDUM

Subject: Guidelines for qualification of Advisors for disinvestment process.

Government has examined the issue of framing comprehensive and transparent guidelines defining the criteria for selection of Advisors, so that the parties selected through competitive bidding inspire public confidence. Earlier, a set of criteria like sector experience, knowledge, commitment etc. used to be prescribed. Based on experience and in consultation with concerned departments, Government has decided to prescribe the following additional criteria for the qualification/disqualification of the parties to act as Advisors to the Government for the disinvestment transactions:

- (a) Any conviction by a Court of Law or indictment / adverse order by a regulatory authority for a grave offence against the Advising concern or its sister concern would constitute a disqualification. Grave offence would be defined to be of such a nature that it outrages the moral sense of the community. The decision in regard to the nature of offence would be taken on a case-to-case basis after considering the facts of the case and relevant legal principles by the Government. Similarly, the decision in regard to the relationship between the sister concerns would be taken, based on relevant facts and after examining whether the two concerns are substantially controlled by the same person/persons.
- (b) In case such a disqualification takes place, after the entity has already been appointed as Advisor, the party would be under an obligation to withdraw voluntarily from the disinvestment process, failing which the Government would have the liberty to terminate the appointment / contract.
- (c) Disqualification shall continue for a period that Government deems appropriate.
- (d) Any entity, which is disqualified from participating in the disinvestment process, would not be allowed to remain associated with it or get associated merely because it has preferred an appeal against the order based on which it has been disqualified. The mere pendency of appeal will have no effect on the disqualification.
- (e) The disqualification criteria would come into effect immediately and would apply to all the Advisors already appointed by the Government for various disinvestment transactions, which have not yet been completed.
- (f) Before disqualifying a concern, a Show Cause Notice why it should not be disqualified would be issued to it and it would be given an opportunity to explain its position.
- (g) Henceforth, these criteria will be prescribed in the advertisements seeking Expressions of Interest (EOI) from the interested parties to act as Advisor. Further, the interested parties shall be required to provide with their EOI an undertaking to the effect that no

investigation by a regulatory authority is pending against them. In case any investigation is pending against the concern or its sister concern or against the CEO or any of its Directors/Managers/Employees, full details of such investigation including the name of the investigating agency, the charge/offence for which the investigation has been launched, name and designation of persons against whom the investigation has been launched and other relevant information should be disclosed, to the satisfaction of the Government. For other criteria also, similar undertaking will be obtained along with EOI. They would also have to give an undertaking that if they are disqualified as per the prescribed criteria, at any time before the transaction is completed, they would be required to inform the Government of the same and voluntarily withdraw from the assignment.

- (h) The interested parties would also be required to give an undertaking that there exists no conflict of interest as on the date of their appointment as Advisors in handling of the transaction and that, in future, if such a conflict of interest arises, the Advisor would immediately intimate the Government of the same. For disinvestment proposes, 'conflict of interest' is defined to include engaging in any activity or business by the Advisor in association with any third Party, during the engagement, which would or may be reasonably expected to, directly or indirectly, materially adversely affect the interest of Government of India or the Company (being disinvested) in relation to the transaction, and in respect of which the Advisor has or may obtain any proprietary or confidential information during the engagement, that, if known to any other client of the Advisor, could be used in any manner by such client to the material disadvantage of Government of India or the Company (being disinvested) in the transaction. The conflict of interest would be deemed to have arisen if any Advisor firm/concern, has any professional or commercial relationship with any bidding firm / concern for the same disinvestment transaction during the pendency of such transaction. In this context, both Advisor firm and bidding firm would mean the distinct and separate legal entities and would not include their sister concern, group concern or affiliates etc. The professional or commercial relationship is defined to include acting on behalf of the bidder or undertaking any assignment for the bidder of any nature, whether or not directly related to disinvestment transaction.
- (i) On receiving information on conflict of interest, the Government would give the option to the Advisor to either eliminate the conflict of interest within a stipulated time or withdraw from the transaction and the Advisor would be required to act accordingly, failing which Government would have the liberty to terminate the appointment/contract.
